

## **'OUR CLUB' 2017**

It is our pleasure to welcome you and your family to Broadlands Equestrian Centre. We hope that your stay with us is going to be a long and happy one. Should anything concern you, or if you have any suggestions, I will be very pleased to hear from you.

Please will you read carefully through our rules and conditions; as well as general information relating to our Riding Club. All rules made are in the interest of the safety of our riders, and are enforced at the yard. We request that you also complete our application forms, (riding school and stabling if applicable), so that we can maintain accurate and complete records.

See Annexure 'A' for the 2017 rates. We know that the children enjoy their horse riding lessons and have tried to be accommodating with the new rates to encourage them to ride more often as riding is one of the best ways to exercise all the muscles in the body and to build core muscle strength

### **Horse riding as a form of therapy**

To see a child's confidence and self-esteem grow is inexplicable. The horse is an incredible animal. It goes beyond general society in that it accepts that any person for whom or what he / she is. There is no rejection or hurt. Only reward. The animal senses all and manages around that situation. Seeing the smiles on a child's face and the love that these individuals have for the horses is heartwarming. The horse as man's best friend becomes the healer as well.

Kind Regards,

Lynne Cocks  
Owner

Should you need to re-schedule your lesson time, it must be done at least 6 hours in advance so that your slot can then be allocated to someone else. Should it not be done 6 hours in advance then the lesson would be forfeited. For logistical purposes, if the instructor is unable to give a pre-arranged class, he or she will make this lesson up to the client at a time agreeable to all parties as per timetable booking process.
  - **CLUB MEMBERSHIP FEES ARE PAYABLE 12 MONTHS OF THE YEAR. IF YOU DO NOT ATTEND YOUR SCHEDULED LESSONS AND DO NOT RESHEDULE YOURSELF IF UNABLE TO ATTEND, YOU ARE STILL LIABLE FOR THE CLUB FEE. **Competitions:**

Riders who want to compete at shows need to have their own horse/horses or they can half bait or full bait a horse. Horses who compete must be in top shape and need specific vaccinations according to law. The full bait or half bait payments cover these specific costs as the riding school cannot afford to carry the competition horse's extra costs. It is each owner's own responsibility to make sure his/her horse's show needs are taken care of this includes preparation of horse, transporting and entry fee

If a horse is not in perfect condition, he will not attend shows, due to strict laws.

The competition fee is the coach fee to cover her costs as well as the groom's cost. Remember lessons are being cancelled to accompany riders to shows.

1 show per month are allowed, unless other arrangements are made with coach.
